

1st Annual DiveQuest Dive Event

100% of the proceeds goes to "The Gift of Swimming"

Drowning is the #1 cause of accidental death in children ages 0-4.

Drowning is the 2nd leading cause of death in children.

"The Gift of Swimming" is the solution to this tragic problem by teaching the vulnerable child to swim-float-swim. Children as young as six months old can be taught to roll onto their back to float and breathe until help arrives. Children as young as ten to eleven months old can be taught to swim, roll to their back to breathe and rest, then flip back over to swim to safety. The Gift of Swimming offers full scholarships to underprivileged children to learn these essential skills. In addition to acquiring valuable survival skills, these children gain self-esteem and self-discipline which will change their lives forever. A certified PediaSwim Instructor can teach a child to save themselves in ten to twenty-five lessons, depending on many factors, including age, previous experience, etc. Every child needs to learn to swim. Every child deserves to learn to swim. Every child deserves to live.

Greetings!

Please be our guest for American Dive Institutes 1st Annual DiveQuest Dive Event Saturday, October 18, 2008 6:30pm. 100% of the proceeds go to "The gift of swimming" a local charity providing swimming scholarships to the community's underprivileged, physically or mentally challenged or otherwise disadvantaged individuals.

Be prepared for a totally unique diving experience. The Seas with Nemo & Friends features a 6-million-gallon indoor aquarium with more than 65 species of marine life, including sharks, huge sea turtles, playful eagle rays and schools of colorful tropical fish. With guaranteed calm seas, no current and unlimited visibility, your quest for the dive of a lifetime ends here.
